Education

JSS Academy of Technical Education, Noida

Bachelor of Technology in Computer Science and Engineering

Nov 2022 – Aug 2026

CGPA: 7.94/10 (Till 5th Sem)

Technical Skills

- **Programming Languages:** C, C++, Python
- **Web Development:** HTML, CSS, Tailwind, JavaScript, React.js, Node.js, Express.js
- **Databases:** SQL, MongoDB
- **Platforms:** VS Code, GitHub, Overleaf
- **Concepts:** Data Structures, Algorithms, OOP, DBMS, Operating Systems, Computer Networks

Projects

WanderLust–Airbnb Clone Website

- Implemented a user-friendly booking workflow within the Airbnb-inspired application, decreasing booking abandonment rates by 20% through a simplified three-step process, directly contributing to enhanced user experience.
- Developed robust user authentication and authorization protocols for the Airbnb web application clone, preventing unauthorized access, and earning recognition as team's top performer that quarter.
- Enhanced property listing module with interactive maps and virtual tour integrations, resulting in a 15% increase in lead generation and contributed to a 10
- **Tech Stack:** MongoDB, Express.js, React.js, Node.js

Portfolio Website

- Engineered a responsive and visually engaging portfolio website using HTML, CSS, JavaScript, and modern frameworks to highlight technical projects and skills.
- Integrated interactive animations, semantic HTML for SEO, and a responsive contact form to improve UX, accessibility compliance, and discoverability.
- **Tech Stack:** HTML, CSS, JavaScript, Angular

Work Experience

Web Development Intern

Remote

CodSoft

May 2025 – June 2025

- Constructed a fully responsive personal portfolio website utilizing HTML, CSS, and JavaScript, achieving a 95% score on Google PageSpeed Insights for mobile, showcasing technical skills and design proficiency.
- Revamped the landing page design, as the most junior web development intern, enhancing visual appeal and increasing user engagement, which led to a 10% increase in session duration.
- Designed modular CSS architecture, decreasing website load times by 15% and improving front-end code maintainability; streamlined UI components for scalability across all devices and browsers.

Certifications

- **Problem Solving (Intermediate)** – HackerRank ([View Certificate](#))
- **Introduction to Front End Development** – Simplilearn ([View Certificate](#))
- **Data Analytics Job Simulation** – Deloitte – June 2025 ([View Certificate](#))

Achievements & Responsibilities

- **Earned LeetCode 50-Day and 100-Day Streak Badges:** Solved over 200+ problems while maintaining daily streaks, enhancing algorithmic thinking and coding efficiency.
- **Creative Head** – SPADE (Physics Society), organized academic and creative events
- **Core Member** – Youth For A Cause (NGO), led social awareness campaigns
